MESSAGE FROM PRINCIPAL'S DESK

SHRI. MANISH TILAK

Dear Stakeholders,

The basic aim of education is to nurture and to stimulate the creative potential with an individual. This Vidyalaya endeavors to provide the best possible environment to nourish the talent and innate abilities of the students. Our aim is not only to help them excel academically but also to inculcate in them the qualities of head and heart. So, they will be able to meet all the challenges of life with great courage and confidence.

We believe that “If everyone is moving together, then success take care of itself “the entire staff of KV NHPC, GERUKAMUKH is moving with a mission of providing its children with all possible facilities that help them in becoming good human being.

SHRI. NAVEEN KUMAR

MESSAGE FROM CMP INCHARGE

“Critical thinking and curiosity are the key to creativity”

Dear Students,

Dare to think differently, explore into yourselves, ask right questions, identify what is your inner calling, work on it, work on it, nobody can stop your success. Success that can ultimately lead you to realization of what you are worthy of. Your life becomes meaningful, worth remembering and worth following and you will be of great service to you, school, society and the country.

INDEPENDENCE DAY

“Where the mind is without
fear
and the head is held high,
where knowledge is free.
Where the world has not
been broken up into
fragments by narrow
domestic walls.

Where words come out from
the depth of truth,
where tireless striving
stretches its arms toward
perfection.

Where the clear stream of
reason has not lost its way
into the dreary desert sand
of dead habit.

Where the mind is led
forward by thee
into ever widening thought
and action.

AWAKE!”**

— Rabindranath Tagore,
Gitanjali: Song Offerings

75 years of independence, the Indian government has organized several events including Azadi ka Amrit Mahotsav, with the theme **'Nation First, Always First'**.

“Liberty, when it begins to take root, is a plant of rapid growth.” “Life without liberty is like a body without spirit.” “Freedom is the open window through which pours the sunlight of the human spirit and human dignity.”

“I’VE ALWAYS BEEN FASCINATED BY MAPS AND CARTOGRAPHY. A MAP TELLS YOU WHERE YOU’VE BEEN, WHERE YOU ARE, AND WHERE YOU’RE GOING – IN A SENSE ITS THREE TENSES IN ONE.”

अगर जीवन में कुछ करना चाहते हो तो सबसे पहले अपने लक्ष्य को निर्धारित करें!

Toy-based pedagogy

The word 'Toy' used with pedagogy here refers to local, indigenous, popular toys and puppets which children love to play with, create, listen to and watch, such as tops, dolls, racing cars, rattles, aeroplane, kites, dancing and singing puppets, etc.

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.”

‘खिलौना आधारित शिक्षाशास्त्र’ एक सीखने-सिखाने की सोच (अप्रोच) है जिसमें अवधारणाओं और कौशलों को खिलौनों, खेल, कठपुतली आदि का उपयोग करके आनंदपूर्ण तरीके से सीखा जाता है।

“एक छात्र का सबसे महत्वपूर्ण गुण यह है कि वह हमेशा अपने अध्यापक से सवाल पूछे।”

Mahatma Gandhi, wrote in his book Nai Talim that ‘work and knowledge should go together’. Children should be taught craft (work) not mechanically but scientifically (with reason and evidence) as it would develop the intellect of the child.

लक्ष्य: प्रश्न पूछना, अनुभव बताना दूसरों की बात सुनना और जवाब देने के लिए बातचीत में संलग्नता।

गतिविधि योजना:

खिलौनों के रूप में कुछ जानवरों की आकृतियाँ दिखाना।

समूह बनाकर विद्यार्थियों में सामूहिक चर्चा।

FLN Target- Narrate story (oral language)

* Through the activity I want to achieve the oral skill of the students.

Planning: - I have planned the activity by telling the students to tell the story with the help of different animal masks.

FLN target – Identifies a particular date and corresponding day on a calendar reads time on a clock in hours and half hours.

Planning – with the help of wall clock, small hand of the clock shows hours and long hand shows minutes. In the classroom frequently asking the question to the children about the reading of time.

Students will be able to multiply the numbers rapidly.

1. Students will be divided in the group of three members.
2. Two member of a group will roll a pair of dice.
3. They will multiply both the numbers.
4. One member will colour the product in grid.
5. Finally the group who colour most of the circle of number in the allotted time will be winner.

TLO- Students will know about the animal of the desert and how camel is adjust with adverse situation of Rajasthan.

ACTIVITY – Teacher have brought the camel toy in class ask the students to observe and asked many question like why camel is only ship of the desert?
